About WISH

WISH is a women's giving circle, created by Women for Shepherd University and sponsored by the Shepherd University Foundation, that was created to inspire, educate, and develop the amazing potential of women's philanthropy. Our high-impact grants to Shepherd University and our tri-state community affect positive changes, bring new funding resources, and make philanthropy accessible. Since 2015, the 290 member-strong organization has offered a cumulative \$1,317,000 in grant funding.
